All building projects must include an actual model building, floor plans and descriptions plus a one page paper on the use and history of the building.

All diaries should be 3-5 pages unless in a journal format then they should be 4-6 pages

Biographies should be 3-5 pages plus pictures

Papers should be 3-5 pages plus pictures and plans

Only one person per project

Projects are individual

All projects are due on the same day regardless of the day you present

Late projects receive a half grade deduction for each day it is late.
